Join executives from supply chain, legal, and compliance to network, meet members of TractManager's executive and client-facing teams, and learn how Saint Peter's Healthcare System is tackling physician contracting, and gain insights from MD Buyline on the changing hospital supply chain.

Guest Speakers

BJ Welsh, CHC, FHFMA

Chief Compliance Officer
Saint Peter's Healthcare System
New Brunswick, NJ

It's Not the Wild, Wild West Anymore: Best Practices in Physician Contracting

BJ will highlight the board- and executive-level initiative she is leading to manage physician contracting effectively from the ground up. This will be an interactive discussion.

BJ is the Chief Compliance Officer for Saint Peter's Healthcare System in New Brunswick, NJ, and is responsible for the creation and maintenance of an effective compliance program for a 500-bed acute care teaching hospital, a children's hospital, an ambulatory surgery group, a long-term care center, and multiple faculty practices.

Bill Donato

General Manager

MD Buyline

Dallas, TX

Redesigning the Hospital Supply Chain – The Time is Now.

Rising costs, organizational commitments, and financial performance expectations are putting more pressure on hospitals to reduce non-labor expenses. Bill will discuss how hospitals can develop the tools needed to respond to this challenge in a transparent manner.

Bill is the General Manager at MD Buyline in Dallas. He has held several strategic senior executive positions in the healthcare industry, including Chief of Supply Chain at the Cleveland Clinic. Bill is also the past president of the Association for Healthcare Resource & Materials Management (AHRMM). He received the George R. Gossett Leadership Award in 1996.
